Dr. McCormick's Dental and Optical Parlors. Reduced rates for thirty days. Over Means's Shoe Store, Second street, Maysville.

Special Pension Examiner Martin, who was in the city yesterday, was Private Secretary of the famous Speaker Thomas B. Reed. Mr. Martin has a great deal of the czar's intelligence and force of character and stands high in the confidence of the pension authorities. He is a hustler on a trail.

Well! Well! Well! It's a long fake that doesn't end! In Covington yesterday the Langdon-Creasy Company went into the hands of a Receiver. It was one of those fourteen-ounce-to-the-pound-bone-dust-baking-powder-sand-in-the-sugar cheap grocery concerns, with branches wherever suckers could be caught, and Maysville for awhile was a prolific field.

We are offering some special bargains in Sterling Silver Knives, Forks, Spoons, Sugar Spoons, Butter Knives, Icecream Spoons and Forks, Salad and Oyster Forks, etc. Special attention given to watch, jewelry and clock repairing. We are prepared to match stones in rings or other jewelry of any kind.

MURPHY, the Jeweler.

The funeral will take place from Shannon Church tomorrow morning at 10:30 o'clock, sun time.

THOMAS PUTMAN.

Mr. Thomas Putman, a well known citizen of Tollesboro, died Thursday night at his home. He was about 70 years of age and is survived by several children.

The funeral took place at 10 o'clock this morning, the interment being in the Cemetery of the M. E. Church, South, at Tollesboro.

MRS. SUSAN WALTON.

Mrs. Susan, wife of John H. Walton, deceased, died at her home near Germantown at 12 o'clock yesterday.

She leaves three children—Judge Matt Walton of Lexington, Joseph F. Walton and Mrs. Burdette of the county.

She was the daughter of the late Joseph Frazee and a sister of Dr. J. M. Frazee of this city and David C. Frazee of Lexington.

Mrs. Walton was 75 years old and for the better part of her life had been a member of the Christian Church.

She was fully resigned and bore her affliction with Christian resignation and fortitude. She will be greatly missed by a wide circle of relatives and friends.

Funeral services Sunday morning at 10 o'clock at the home, conducted by Rev. Dr. W. W. Hall. Interment at Germantown.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the bluegrass state could not remedy a bad liver or the humors and all ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale by Henry W. Ray, Postoffice Drugstore.

The \$10,000 damage suit of Mary D. Biggs of Greenup against Lucy Stairs of Portsmouth has been compromised by Mrs. Stairs paying Mrs. Biggs \$3,000 and all the costs which have accumulated since filing the suit last June.

WHAT COURT SAID

Opinion Handed Down in Affirming Sentence of Thomas Manns

In affirming the suit of Manns vs. the Commonwealth, taken up from the Mason Circuit Court, the decision of the Court of Appeals, delivered by Judge Pnynter, was as follows—

Accomplice—Evidence.—Upon the trial of appellant evidence to the effect that he said to the arresting officer at the time of the arrest: "You are a good friend of mine; why didn't you give me a tip and let me get away?" and other testimony incriminating him, was sufficient to corroborate the testimony of an accomplice, and a verdict of conviction will not be disturbed.

Tuesday will be the vernal equinox, when the days and nights will again be equal.

Miss Katherine Noland Dudley, daughter of the late Bishop Thomas Underwood Dudley of Louisville, is to be married April 4th in New York City to Mr. George Sherman Richards.

Wakeful Children.

For a long time the two-year-old child of Mr. P. L. McPherson, 59 N. Tenth street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by J. Jas. Wood & Son.

ARRESTED FOR BEGGING

A Fakir Gets a Maysville Boy Into Trouble in Ohio

Some two weeks ago a man representing himself as a traveling salesman appeared at the home of Mrs. Frank Workman, who lives in Second street between Limestone and Bridge streets, and by plausible stories persuaded the mother to give consent to her twelve-year-old son accompanying him on the road to assist in distributing his advertising literature.

The man promised a fatherly care of the boy, looking after his health and comfort, and besides was to send the mother \$10 per month for his services. On the surface everything looked honorable and fair and the woman agreed to the proposition.

The man and boy left this city over ten days ago, and the first news she received of the whereabouts of her son was through Chief Donovan, who received a letter from the Chief of Police at Bucyrus, O., stating that he had a boy in his charge named Charles Millard, aged 12 years, who gave this city as his home. He was arrested for begging.

The letter stated that the man had the boy made up in such a manner as to appeal to the sympathy of the charitable, and then sent him forth begging. The stranger followed at a safe distance in the rear and at intervals would halt the boy and relieve him of the proceeds of his begging.

The youth was arrested but the man escaped. He is held on a vagrancy charge and was to have had a hearing yesterday before the Probate Judge.

Notwithstanding the boy's mother, Mrs. Frank Workman, has sent sufficient money to the authorities to pay his fare to Maysville, it is not unlikely that, acting for the best interest of the child, they will send him to the Boy's Industrial School at Lancaster, O. The boy is said to be bright and honest, and if sent to the Industrial will develop into a good man. If sent back here his prospects for becoming a loafer are first-class.

The people of the United States eat \$150,000,000 worth of candy in a year, and there are nearly 5,000 factories making it, with a capital of \$38,000,000.

We extend congratulations to the happy couple and their many friends unite in wishing them health, happiness and prosperity.

"UP AGAINST IT!"

How a Green Goods Artist Swooped Down on Uncle Ike

It is not often that Grandpa I. M. Lane turns down a proposition that promises to return 200 per cent. on the investment, but he indignantly refused to listen to a proposition of that character he received in his mail yesterday morning.

It was a seductive circular in which great riches were promised in a short space of time.

In part the smooth gentleman wrote:

"The fact is, an investment of \$500 will give you an immediate return that a life-time of toil will not do; this without injury to your friends."

He then appoints a place for a meeting where he hopes—and generally does—gold brick his victim.

If the fellow only knew Grandpa Lane he would be the last one he would pick for a sucker and a shover of the queer.

Not a mail arrives that does not bring letters from women who have been cured of some of these terrible diseases and whose lives have been made happy by the noble and wonderful work of Zoa Phora.

Mrs. George Slide, McClure, Ohio, R. F. D. No. 1, says: "I was so nervous and broken down that I could not do my work. I doctored with two of our home doctors, and they said I had heart trouble. I had spells with my heart when it would beat so hard and then I would faint away. I received a sample bottle of Zoa Phora, which I took according to directions, and thought it was just what I needed, so I threw the doctor's medicine away and got a large bottle of Zoa Phora. It helped me so much that I bought two more bottles, and now I am well and strong. I do not have the spells with my heart since I took Zoa Phora and I am regular now, where before I took Zoa Phora I was very irregular and had severe pain at monthly periods. I have found it to be truly a 'Woman's Friend.' 'If anyone calls in person or writes to me, I will give them the particulars in my case. I hope this will help induce some suffering woman to try Zoa Phora.'"

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Penzely's Advice to Women." The doctor will gladly give free medical advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

READ IT THROUGH.

'Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth-century phrase, this is an "ever true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harman of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.

The revival services at the Third Street M. E. Church have been of a great interest and have been attended by a large concourse of people. Several have been converted and united with the Church.

ANOTHER OFFICE CREATED**Maysville to Have a New Salaried
Official After July Next**

The late Legislature passed a law making it
compulsory on the citizens of Maysville to send
their children to school—at least all those be-
tween the ages of 7 and 14 years—unless they
are physically disabled from attending, or have
already acquired the common school branches
of education required by law.

It is made the duty of the Board of Educa-
tion, the first week in every July, to appoint
a Truant Officer, who shall hunt up all cases of
truancy; and after notification to the parents,
if they still fail to send their children to school,
they may be arrested and fined not less than
\$5 nor more than \$20 for the first offense, nor
less than \$10 nor more than \$50 for the second
and every subsequent offense, and cost of suit.
The salary of the Truant Officer will be not
less than \$1 nor more than \$2.50 for each
school day; and it is expected that applications
for the place will begin to pour in upon the
Board of Education before night.

BAD PLACE FOR NEWS**Railway Officials Generally Speaking
Don't Know Much Nohow**

A railroad office is supposed to have knowledge
of everything that takes place along the line—
particularly the coming and going of its trains.
The office of the L. and N. in this city seems
to be an exception, however.

Yesterday the 9:50 morning train on this
road did not arrive until nearly noon.

A representative of THE LEDGER, ever anxious
to know why and the whyfores, in order to inform
its readers, addressed one of the office forces—

"What caused the delay in the arrival of the
train this morning?"

With an expression that was "child-like a d
bland," he said—

"I don't know, sir."

Now what do you think of that?

He didn't know.

This Company, after testing Ligozone for
two years in the most difficult
germ diseases, paid \$100,000 for the
American rights. That is by far the
highest price ever paid for similar
rights on any scientific discovery.

We publish this fact to show you the
value of Ligozone. Men of our class
don't pay a price like that save for a
product of remarkable worth to hu-
manity.

Kills Inside Germs.

The reason for that price is this:
Liquozone alone can kill germs in the
body without killing the tissues too.
Nothing else in the world is so good
for the human body; yet Liquozone is
a germicide so certain that we pub-
lish on every bottle an offer of \$1,000
for a germ that it cannot kill.

Liquozone destroys at once and fore-
ever the cause of any germ disease.
And there is no other way to do it.
Any drug that kills germs is a poison,
and it cannot be taken internally.
Medicine is helpless in troubles of this
kind.

Not Medicine.

Liquozone is not made by compound-
ing drugs. Its virtues are derived
solely from gas, made in large part
from the best oxygen producers. By a
process requiring immense apparatus
and 14 days' time, this gas is made part
of the liquid product. Liquozone has,
for more than 20 years, been the con-

stant subject of scientific and chem-
ical research.

The result is a product that does
what oxygen does. Oxygen is the very
source of all vitality, the most essen-
tial element of life. Liquozone is a
vitalizing tonic with which no other
known product can compare. Its ef-
fects are exhilarating and purifying.
But germs are vegetables; and Ligo-
zone—like an excess of oxygen—is
deadly to vegetable matter.

Liquozone goes wherever the blood
goes, destroying every germ in the
body. In this way it cures diseases
which medicine never cures. It will do
more for sick humanity than all the
drugs in the world combined.

Germ Diseases.

These are the known germ diseases.
All that medicine can do for these
troubles is to help Nature overcome
the germs, and such results are indi-
rect and uncertain. Liquozone kills
the germs, wherever they are, and the
results are inevitable. By destroying
the cause of the trouble, it invariably
ends the disease, and forever.

FIRE!

That ancient idea that pianos are a luxury. Let there be something doing with your brain tissues. Look around and find, if you can, a piano player out of a position. Investigate and learn that people who can play a piano have a steady income and light work.

\$10,000 LOSS.

The ancient idea was to spend one's entire life digging now kept to the ground, until the appreciation of pleasure or comfort was entirely ground out of one, all to accumulate a \$10,000 estate to leave to one's heirs, and a living comes a fire or some other adversity and your heirs are left destitute.

NO INSURANCE.

Absolutely no insurance, that after your strenuous life your children would not suffer for the bare necessities. All they had to depend upon was the property left them, which was subject to adversity in a thousand different natures.

BAD BUSINESS.

This is certainly unwise. Leave your children that which can never be taken from them—a musical education. A musical education insures a steady income, and with little effort and the pleasure in gaining this education makes this old world a lovely one.

SUSPICIOUS CHARACTERS.

As the greatest aid to securing a good musical education, suspicion rests upon the instruments manufactured by the Smith & Nixon Piano Co. Every one says they are the best. Where there is so much smoke there must be fire. We manufacture high grade pianos and sell them to you at wholesale prices. See our samples at JOHN L. WINTER & CO'S Store, Maysville, Ky.

Cold's Cause Pneumonia.

One of the most remarkable cases of cold, deep seated on the lungs, causing pneumonia is that of Mrs. Gertrude E. Penner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 118 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength. Sold by J. Jas. Wood & Son, Druggists."

The substance is what you want. Let the shadows alone. Strangers' testimony is a shadow. You want other endorsement to convince. Positive endorsement of friends and neighbors removes the shadow of doubt.

Mr. Isaac Lane, contractor and builder, residing at 336 West Second street, says: "Doan's Kidney Pills do all that is claimed for them and do it promptly and thoroughly. I had not taken all of one box before I felt such great relief that a continuance of the treatment seemed unnecessary. I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. If there should be any re-occurrence of the trouble I now have a knowledge of a reliable remedy to end the attack."

Sure Relief for Women.

No. 18 Central Ave. Hot Springs, Ark., April 30, 1903.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.

A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at the end of that time I was in better health than I had been for seven years. I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.

Anna Nelson
ORATOR, WEDNESDAY CHAUTAUQUE CLUB.

WINE of CARDUI

Mrs. Nelson describes the condition of thousands of women. That condition comes by slow stages. Usually the important function of menstruation is at first slightly irregular. Then comes the painful periods, bearing-down pains and ovarian inflammation follow. Finally the nervous system gives way and the whole system has become affected and the pains rack the body from head to foot.
